

The Gordon and Deakin University Pathway Table

The Gordon provides excellent pathways from our advanced qualifications into degree programs at both universities and TAFEs, offering students an alternative entry into higher education studies. Students who have completed studies at The Gordon may be granted advanced standing (credit transfer) which can reduce the number of units required to be awarded a qualification at Deakin University.

All applications for advanced standing are reviewed by a committee of Deakin's faculty in which enrolment is sought. Queries regarding credit transfer from TAFE to University should be directed to our International Office.
