### Office 365 software

**To help prepare our students for work in the professional world, The Gordon provides Office 365 to students for FREE.**

This means you'll always have the latest version of Word, Excel, PowerPoint, OneNote, and more for as long as you're a Gordon student.

With Office 365 you can:

- Install the software on up to five compatible PCs and Macs, plus five tablets
- Access student email through Office 365, including calendar and contacts
- Use OneDrive file storage in Office 365
- Gain valuable skills on the world's most popular document software
- Use the same programs as your teacher and classmates

**This offer is available to all students at The Gordon.**
