

## Clean Economy Team Challenge

# Amplify your potential with the FREE 9-week challenge.

## TRANSFORMING GEELONG'S FUTURE.

The Clean Economy Team Challenge is a FREE groundbreaking program designed to support the growth of a Clean Economy in the Geelong region.

This initiative enables students to gain valuable experience with like-minded peers while increasing their employability skills.

## WHAT'S INCLUDED?

The Clean Economy Team Challenge is different, here's why:

- » 3-week project preparation & industry showcase
- » ManuFutures & employer tours
- » 6-week team projects
- » Project success training and support across the 9 weeks
- » Clean economy case studies and experts
- » Final presentation and report back to the company

## HOW DOES IT WORK?

- » Limited numbers, so register your interest today!
- » The Gordon will assess your suitability
- » The project lasts 9-weeks
- » Starting March 2024
- » 8 to 10 hours per week
