# Building and Construction Trades

A building trade is ideal if you like to be hands-on, keep fit, work indoors and out, and learn a skill that could take you all over Australia. The Gordon is the leader in building trade courses in regional Victoria, offering pre-apprenticeship and apprenticeship courses in a variety of construction trades.

I have always wanted to be a painter, having grown up around the family painting businesses. At The Gordon, I learnt the day-to-day tasks I would experience on the job. The hands-on training has shaped my career along with the great knowledge of the teachers. Recently, I was awarded the Master Painter's Association of Victoria and Tasmania Apprentice of the Year."
