

Build confidence and achieve your career goals! **Work Wise Women.**

“After being out of the workforce for six years, this program has given me hope and confidence that I can return to work.”

“Each week I took something away with me to help me in life and my career journey.”

“I highly recommend it to any woman wanting support to find work or change their career.”

We can help you in our FREE 2024 workshops

Werribee | over four weeks
