Pre-training review

The Gordon is committed to ensuring all students have access to the educational and support services they may need while studying. We do this by carrying out a pretraining review that is integrated with the application and enrolment process. For most courses, this review also includes a short literacy and numeracy assessment relevant to the course. The outcomes of the pretraining review assist our teachers and trainers to better understand each student's capabilities prior to training and enable all students to be matched to the right program for them.
