

The Gordon VETDSS Work Placement / SWL Fact Sheet

The following VCE VET programs have mandatory workplace-based assessment requirements, making work placement a compulsory component:

Certificate III in Allied Health Assistance

Certificate III in Early Childhood Education and Care

Certificate II in Salon Assistant

In VETDSS work placements are undertaken through Structured Workplace Learning (SWL) arrangements. Finding suitable placements is a collaborative effort between the student, the secondary school, and the Local Learning and Employment Network (LLEN). The Gordon will assist as needed. It is important to review the critical information of the program within this fact sheet before making any placement arrangements.

The Department of Education's Structure workplace learning arrangement form must be used for all VETDSS placements.

Allied Health Assistance Placement Details

Mandatory work placement requirements:	The National Training package rules requires completion of 120 hours of clinical placement (HLT33021). The units selected in The Gordon's VETDSS Health Program do not contain mandated work or clinical placement requirements. Therefore, placement is not mandatory. Undertaking a placement is strongly recommended as it is for all VCE VET programs. Approximately 40 hours is the recommended duration each year.
Total Duration:	40 hours of Structured Workplace Learning per year - total is 80 hours
Structure:	Can be in a variety of ways so that it fits in with the student's Gordon and secondary school commitments. Typically, it occurs during Term 2 or Term 3 break.
Location:	Students can complete work placement in a variety of locations within the local region - Aged Care facilities, in an Allied Health setting, with community services such as GENU or Scope
Organised by:	School Careers and VETDSS Coordinators aid students in securing their placement and complete the required documentation. The Geelong Regional LLEN visits students at the Geelong City Campus and offers guidance on where to find advertised placements. In the Wyndham area, the WYNBAY LLEN can provide guidance on where to find placements within the region. The Gordon will assist as needed.
Conditions:	<ul style="list-style-type: none">Completion of HLTWHS001 Participate in workplace health and safety, prior to commencing placement

Early Childhood Education Placement Details

When placement arrangements have been confirmed, the student must provide their teacher with the details of their placement. A Gordon Assessor will visit the student and assess them in the workplace.

There may be instances where students arrange SWL in a regulated children's education and care service provider outside of the outlined structure. It is important to understand that any SWL undertaken before the conditions below are confirmed and approved by The Gordon teacher will not count toward fulfilling the mandatory work placement requirements for assessment purposes.

Students must work with children aged 23 months or under for a minimum of two days during their placement to meet the assessment requirements of unit CHCECE038.

Mandated work placement requirements:	Yes - The National Training package rules requires completion of 160 hours of work in a regulated children's education and care service. For the units selected in the VETDSS Early Years Education Program The Gordon requires students to undertake 60 hours each year.

The Gordon VETDSS Work Placement / SWL Fact Sheet

Total Duration: 60 hours of Structured Workplace Learning per year – total 120 hours.
The 120 hours gives students extra hours if they miss days due to ill health etc. This is preferred by The Gordon's industry partners.

Structure: One day per week, or a block placement of 60 hours during the term break. The Gordon will use SWL completed during these periods for unit assessment purposes, and the placement must occur during the following times:

Year 1

- If one day per week – during Term 3
- If block placement - September /October school holidays

Year 2

- If one day per week – during Term 3
- If block placement - June/July school holidays

Location: In a regulated children's education and care service

Organised by: School Careers and VETDSS Coordinators aid students in securing their placement and complete the required documentation. The Gordon will assist as needed.

Conditions: The Gordon has an obligation and commitment to the Early Years Education field to ensure that students are adequately prepared for placement. Students will be eligible to participate in placement only when:

- Relevant theory and assessments have been successfully completed. Failure of students to submit required assessments will risk placement cancellation or postponement. Students will be informed at the beginning of individual unit delivery what assessments must be submitted prior to placement
- Appropriate attitudes and skills have been demonstrated
- A current Working with Children Check has been successfully obtained, checked and sighted by the placement co-ordinator
- Immunisation and Covid vaccinations (dependent on the Centre's requirements)
- The student demonstrates the 'professional behaviours' required to operate in the workplace
- If /as necessary, attained medical clearance and/or disclosure declarations necessary to be able to work in a children's service
- The student has visited the centre for orientation
- Disclosure to The Gordon and early child care centres in case of any factors/reasons that could influence conduct, level of consciousness and effectiveness on placement such as medical/medication consideration
