Residents must abide by the Student Code of Conduct at all times. This is provided at check in. Failure to adhere to this requirement will result in permanent eviction.

Vacating

Rooms must be vacated by 12pm Friday, but we can arrange storage of your belongings until the end of the day if required.

Please be aware that all the other rooms at Student Residence are used by students who live on residence full-time. We ask that you please be respectful of their home and remember that you are here to complete your education and it should be treated as you would the work environment.
