

PERSONAL LEARNING REQUIREMENTS

SHB30221 VETDSS - Certificate III in Make-Up

The skills and abilities required to study in this course and work in the industry include:

Communication Skills

- Respond appropriately to feedback or questions
- Speak clearly and directly with teachers and other students
- Use effective questioning techniques (e.g. understand customer needs / job requirements)

Physical Skills

- Ability to be on your feet for extended periods of time, both walking and standing, bending and maintaining consistent physical performance throughout your day
- Adequate vision and good colour perception (e.g. to clearly examine close up work, determine differences in colours)
- Conduct regular housekeeping activities to maintain a clean and hygienic work area
- Fine motor skills, including the ability to undertake precise coordinated movements of the hands and wrists (e.g. pushing, pulling, turning to be able to provide makeup services)
- Good hand and eye co-ordination (e.g. working with tools and equipment in the beauty services industry, etc.)
- Gross motor abilities and good mobility, as the role involves physical demands such as standing, lifting, bending and/or sitting for periods of time
- Tolerance to working with hair/beauty products which may cause allergies

Cognitive Skills

- Ability to carry out work in a required order or sequence (e.g. including understanding and following instructions)
- Ability to learn new processes, methods and equipment
- Ability to perform basic mathematical skills (e.g. calculating ratios and measurements for product quantities, and accurate handling of client payments)
- Accept responsibility for accurate completion of work and seek help when required
- Capacity to develop, apply and maintain beauty industry knowledge, including having creative skills and artistic flair, with the ability to keep up to date with the latest industry trends
- Read, understand and interpret written materials (e.g. product labels and use of products)
- Understand and follow policies and procedures (e.g. legal compliance, work instructions, health & safety)

Behavioural & Social Skills

- Ability to manage personal emotions and behaviour calmly and respectfully (e.g. dealing with clients)
- Ability to work as part of a team and/or independently
- Attention to detail
- Attentive in interactions with clients
- Genuine interest in interacting and working with people
- Interpersonal skills (e.g. customer services skills, putting clients at ease, the ability to contribute and work as a member of a team)
- Maintain neat personal appearance, including a high level of personal hygiene and in line with industry expectations of promoting personal presentation and improving the customer's appearance

- Tolerate close proximity with individuals (including physical contact)
- Willingness to care/work with people regardless of social and cultural backgrounds, or gender, age, culture, sexuality or religion

Technical Skills

- Capacity to develop knowledge of resources and equipment to support make up application
- Operational knowledge of computers/smart devices, including capacity to use office tools

Industry Legislation or Licencing

- Knowledge of and ability to apply current relevant legislation, regulations and codes of practice will be required to work in this industry

Before you Enrol

Please review the requirements listed in this document and think about if you might experience challenges in meeting them related to your disability, health condition, learning support assistance or for any other reason.

You should discuss your concerns with us the VET Coordinator at your school before enrolling in your course.
