ARTWORK

The Gordon City Campus

The Gordon East Campus
About the artist
My name is Billy-Jay O’Toole I am a proud Wadawurrung man. I reside on country in Mount Duneed, I work as a Cultural Heritage representative at Wadawurrung Aboriginal Corporation. The requirements of a Cultural Heritage worker is to walk over sites on country finding artefacts and many other sites with cultural significance. This instills our history and learning the stories of our old people.

I also have a joint role with Wadawurrung and Great Ocean Road Coastal Committee to collaboratively manage and observe the significant cultural heritage sites on Wadawurrung country. I am passionate about both my roles and responsibilities. To be able to find the evidence that our ancestors have left behind many thousands of years ago is culturally rewarding. It is evidence of our old people leaving their knowledge for our future generations to learn. I connect to stories with artwork, I am not a traditional artist but use stories of my country to paint and to educate all. My biggest achievement was designing Geelong’s Football Club’s first ever indigenous jumper back in 2013 as a 15 year old boy.

About the artwork
My artworks tells a story of Wadawurrung country.

The Gordon City Campus:
• Blue section represents the coastal waters with the side section representing Fresh Water Creek coming together
• Gathering symbols down the bottom represents people hunting and coming together on the coast, cook, eat, and conduct cultural ceremonies and create midden sites
• The bright red sunset is seen along Wadawurrung coastline
• Bundjil the eagle and Waa the crow are the two moieties of Wadawurrung
• Eucalyptus leaves represent healing and cleansing of country, a traditional smoking ceremony of welcoming and cleansing visitors. The mountains represent Wurdi Youang (You Yangs) place of cultural significance for Wadawurrung people.

The Gordon East Campus:
• Bunji’s Country – the story of Bunji flying over the landscape.
The Gordon would like to respectfully acknowledge the Traditional Owners throughout Victoria and acknowledge their ancestors and Elders past, present and emerging who have taught their children and adults on this land.

Our facilities recognise the Traditional Custodians and land of our following campuses,
• Geelong City campus – Wadawurrung Country
• East Geelong campus - Wadawurrung Country
• Werribee campuses - Wadawurrung, Woiwurrung and Boonwurrung Country.

We acknowledge the hardships, the destruction, disrespect, the impact on traditional language, and the harm to First Nations peoples ancestors that was endured following colonisation, and the devastating impacts of that, which are still evident and felt today within the spirit and manipulation to country and natural process’s on country, that caused destruction to their country waterways, cultural values, and song lines connected to country.

The Traditional Owners and First Nations people have been subject to many past practices that have heavily and deeply impacted on their people and culture. With strength, they have managed to advocate, survive and thrive. This demonstrates enormous inner spirit, connection to Country, strength, resilience and adaptability.

Traditional Owners are determined and culturally committed to their cultural obligations to see their unique cultural heritage and cultural values protected and respected.

Throughout this RAP the term Aboriginal is used to refer, and is inclusive of, Aboriginal and Torres Strait Islander people/communities.
We acknowledge our Ancestors and our Elders past and present. We Acknowledge Bunjil, our creator spirit of our beautiful country and thank him for continuing to watch over country today and beyond.

We acknowledge that our Ancestors traditionally nurtured and cared for Wadawurrung Country for tens of thousands of years, and in return the country cared for them with healthy nourished country and water providing a sustainable life.

Today Wadawurrung people continue to care for the land, waters and intangible heritage of their land. Wadawurrung Country covers over 10,000 square kilometres from the Great Dividing Range in the north to the coast in the south, from the Werribee River in the east, and to Aireys Inlet in the west, which includes Geelong and Ballarat.

As a Wadawurrung Traditional women and community person, I understand the vital importance of a Reconciliation Action Plan. The plan will outline our strong commitment and engagement, outlining objectives and actions to move forward for reconciliation for better education opportunities and outcomes for Aboriginal people and community.

It’s vital in establishing strong collaborative relationships of shared understanding, commitment and building respectful relationships for positive change and rewarding outcomes for all.

It is critical to walk together on a respectful shared journey of understanding. A Reconciliation Action Plan will guide our commitment to a culturally safe journey together.

Reconciliation Australia is delighted to welcome The Gordon Institute of TAFE to the Reconciliation Action Plan (RAP) program and to formally endorse its inaugural Reflect RAP.

As a member of the RAP community, The Gordon Institute of TAFE joins over 1,000 dedicated corporate, government, and not-for-profit organisations that have formally committed to reconciliation through the RAP program since its inception in 2006. RAP organisations across Australia are turning good intentions into positive actions, helping to build higher trust, lower prejudice, and pride in Aboriginal and Torres Strait Islander cultures.

Reconciliation is no one single issue or agenda. Based on international research and benchmarking, Reconciliation Australia defines and measures reconciliation through five critical dimensions: race relations; equality and equity, institutional integrity; unity; and historical acceptance. All sections of the community—governments, civil society, the private sector, and Aboriginal and Torres Strait Islander communities—have a role to play to progress these dimensions.

The RAP program provides a framework for organisations to advance reconciliation within their spheres of influence. This Reflect RAP provides The Gordon Institute of TAFE a roadmap to begin its reconciliation journey. Through implementing a Reflect RAP, The Gordon Institute of TAFE will lay the foundations for future RAPs and reconciliation initiatives.

We wish The Gordon Institute of TAFE well as it takes these first critical steps in its reconciliation journey. We encourage the organisation to embrace this journey with open hearts and minds, to grow from the challenges, and to build on the successes.

As the Council for Aboriginal Reconciliation reminded the nation in its final report: “Reconciliation is hard work—it’s a long, winding and corrugated road, not a broad, paved highway. Determination and effort at all levels of government and in all sections of the community will be essential to make reconciliation a reality.”

On behalf of Reconciliation Australia, I commend The Gordon Institute of TAFE on its first RAP, and look forward to following its ongoing reconciliation journey.

Reconciliation Australia
On behalf of The Gordon Institute of TAFE, I am proud to present our inaugural Reconciliation Action Plan (RAP) 2020-2021. This is an important element of our ongoing engagement with Aboriginal and Torres Strait Islander people. The plan reaffirms our commitment to working with the wisdom of the Aboriginal and Torres Strait Islander people, their culture, spirituality and history.

The Gordon has a 133-year history of working with community, business, industry and government to deliver responsive education and training of the highest quality. We provide access and opportunity for individuals who want to forge a new life within a transformative economy. The training we offer is the foundation on which our community continues to evolve.

We are one of the largest regional TAFEs in Victoria, delivering training to more than 15,000 students each year. Many of these students are from Aboriginal and Torres Strait Islander backgrounds – a result of our commitment to delivering inclusive and culturally appropriate training across the region.

However, we know there is more that we can do. Our Reconciliation Action Plan sets out how we at The Gordon can benefit from Aboriginal and Torres Strait Islander knowledge. To do this we need to build our collaborative engagement with our Aboriginal community. With partnerships and understanding we will improve our own understanding, practices and learnings.

Our plan celebrates Aboriginal culture, is a framework of action for better outcomes, promotes reconciliation, and presents a vision where Aboriginal and Torres Strait Islander people participate equally in our education facilities.

I look forward to the practical implementation of the plan and welcome ongoing community engagement as we work and learn together.

At The Gordon we believe that vocational education and training plays a vital role in achieving a united Australia. Education is a potent tool for reconciling histories; a pathway to personal and social growth that bridges misunderstanding; and a bedrock for tangible and robust change. Education is a foundation for empowerment, engagement and transformation.

We recognise that our nation’s history of discrimination has impacted on all aspects of Aboriginal and Torres Strait Islander life – and this discrimination has actively contributed to underrepresentation in institutions like The Gordon. The institute therefore seeks to build on our work to date and to use the Reconciliation Action Plan as a guide to engaging anew with the Aboriginal and Torres Strait Islander community. Through the RAP, we seek to reconcile, grow and bring about manifest change. Our vision is for a community where Aboriginal and Torres Strait Islander peoples participate equally and equitably in all aspects of life.

The Reconciliation Action Plan has received strong commitment at all levels across the institute. It is a standing agenda item at each institute Board Meeting to monitor progress, actions and deliverables. At the Board level, the Aboriginal and Torres Strait Islander portfolio is led by the Chief Executive Officer, who is also a member of the Reconciliation Action Plan Working Group.
**RAP Working Group**

Our commitment to reconciliation is championed by The Gordon’s first Reconciliation Action Plan Working Group. The group was established in September 2020 to assist with the development and implementation of this plan and is made up of people from across our entire organisation.

The group includes the CEO of the institute, Director of Education, Wadawurrung Traditional Owner, members of our senior management team, staff members, students and Aboriginal and Torres Strait Islander peoples from local Community.

The Reconciliation Working Group is chaired by Katrina Hassett, Manager Student Engagement and Support.

My vision for reconciliation is about respect, respect for people, land, and country. We need a social change to be inclusive and close the gap for better outcomes for all people calling this great land Australia home. Working together to acknowledge country, share stories of the land and people and be culturally inclusive within local content of the First Nations peoples is what I feel we should be working towards.

GTEC | The Gordon

Reconciliation for me as a non-Indigenous person is about recognising Aboriginal people as the Traditional Land Owners and acknowledging the true history of Australia. This includes acknowledging that an invasion, genocide and a white Australia policy took place and the ramifications from this have made it difficult for Indigenous people to move forward. Acknowledging this truth allows Aboriginal people a space to reflect and begin to heal. Moving forward, reconciliation needs to respect traditional learning, and appreciate that Aboriginal people have cared, nurtured and maintained the land for thousands of years. I believe we can learn from Aboriginal people about how to care for the environment better than we currently are. We need to acknowledge the connection Aboriginal people have with the land both physically and spiritually.
Reconciliation to me means coming together, supporting each other through life’s challenges - good or bad. Working towards overcoming the division and inequality between Aboriginal and non-Aboriginal people. I’m a proud mum, daughter, sister, Aunty, niece, friend and Aboriginal student. I pride myself in my ability to teach my children where we came from and how we faced what we faced for the life we have today. As an Aboriginal student I’ve faced many challenges to get where I am today. I’m so lucky to have had the support from The Gordon to help make my dreams come true to become the nurse I want to be and giving me the opportunity to show my kids that you can be whatever you want to be. All you need is to believe, the right mindset, determination and have an amazing support network, which I’m extremely grateful I found whilst studying. Mistakes are proof that you’re trying. Be fearless to follow your dreams and always strive to be better then you were yesterday.
The Gordon celebrated NAIDOC throughout the week of 15 - 19 July, 2019. The Geelong Technical Education Centre (GTEC) has a proud history of being involved in NAIDOC events and took on 2019 with a whole hearted approach.

The VCAL (Victorian Certificate of Applied Learning) and VCE (Victorian Certificate of Education) students, along with teaching staff, Aboriginal Liaison and Marketing, put together an event that was celebrated by all staff, students and community.

The highlight from the event was their project with Indigenous Hip Hop Projects. The students wrote lyrics and performed, singing their scribed lyrics, making a video around the NAIDOC theme Voice, Treaty and Truth.

The event brought together the community through music, dance, telling stories past and present “walking together and working together for a shared future”.
