

The Regional Industry Sector Employment Program

CPC20211 Certificate II in Construction Pathways

This course is part of the [Regional Industry Sector Employment](#) (RISE) program, developed by Master Builders Association of Victoria, Urban Development Institute of Australia, City of Greater Geelong, Gforce Employment Solutions, The Gordon, Geelong Region Local Learning and Employment Networks, community service organisations, schools and many others.

The aim is to provide access to construction industry apprenticeships, by providing the skills and support you need to become work ready for the construction industry.

The RISE program includes:

- Construction Induction Card (CI or White Card)
- Personal Protective Equipment (PPE)
- Employment preparation and placement assistance.
