Build your study skills at your own pace

The Learning Lounge in Gordon Online offers short, self-paced activities to help build your language, literacy, numeracy and digital skills. You can access it anytime.

Keep your contact details up to date

This is important for our records as well as for any Government assistance you may receive. Update your details in eCentral. Login from the Student Portal.

Know your student rights and responsibilities

Our Student Code of Conduct outlines expected behaviours and helps ensure a supportive learning environment for everyone. Your experience matters and we value all feedback. You can provide feedback under the Student Voice section of the Student Portal.
