GEELONG TECH SCHOOL COMMUNITY OPEN DAY

Tuesday 21 May during Education Week
11am-12pm and 1.30pm-2.30pm

Discover the exciting activities on offer at Geelong Tech School. See local school students apply their skills in science, technology, engineering and maths to create an automated golf course using electronics and also address an industry brief from Barwon Water using robots.

You will also gain insight into other high-tech industry-led projects available to Geelong secondary schools utilising VR, 3D printers, laser cutters and other equipment to inspire creative design and innovative thinking. Tour the facility and hear about how the Geelong Tech School is helping students built the skills they need for future careers.

Please register your attendance at
