What ELICOS courses can you study?

General English

Develop your English language skills for social and work purposes. Build your ability to communicate confidently in English. Learn how to study independently and collaborate with others on projects. In General English you will learn how to:

- Communicate confidently in English in real-life situations
- Write letters, reports and essays
- Give presentations
- Research and reference
- Study independently
- Develop grammar and vocabulary

The English Language Centre works closely with The Gordon's vocational programs to develop the English language and interpersonal skills you need for work and vocational study. Each week, Project-based learning will give you the opportunity to use your language skills in real-life situations. You will interact with others to:

- Problem-solve
- Collaborate
- Negotiate
- Work in a team

“

I am studying ELICOS as I need a good English level to pass the IELTS Examination. My brother-in-law recommended I study at The Gordon, as he had studied here.

I enjoy learning to speak English as I'm a sociable and talkative person, and the teachers have excellent experience teaching international students.

After I complete ELICOS, I plan to study an automotive course as I would like to work as a car technician and open a car workshop.”

Zheng Xiong Mah (Terence)
General English Student from Malaysia
