22334VIC	Certificate IV in Cyber Security - F	<i>Security operations centre analyst Cyber security analyst Networking security support officer</i>

“

I knew I needed the credentials for work and I saw The Gordon was offering cyber through Free TAFE, so I applied and really enjoyed it. The teachers were very knowledgeable and the facilities were awesome. The course was structured in a way that you were always learning, but weren't overloaded. Now thanks to The Gordon's connections, I have gained industry employment.
