# Licensed Trades: Electrical and Plumbing

Our licensed trades courses provide you with the practical skills and experience to prepare for work in a broad range of domestic, industrial and commercial areas. You get the best of both worlds as an electrical or plumbing apprentice when you learn on the job and with our specialist trainers.

Our campuses at East Geelong and Hoppers Crossing are home to world-class trade facilities, with courses designed by industry bodies to give you the latest skills and knowledge being used in your trade.

There are many aspects to plumbing. It is important to be willing to practice everything you learn on the job and in school. The Gordon is a really supportive and encouraging atmosphere to learn skills required in the workplace from teachers with real industry experience. Moving forward, I'm looking to incorporate plumbing with my horticulture certificate.

**FLYNN CHALKER - CERTIFICATE III IN PLUMBING**  
*Regional WorldSkills Winner - Plumbing*
