

# Work Wise Women

*“After being out of the workforce for six years, this program has given me hope and confidence that I can return to work.”*

*“Each week I took something away with me to help me in life and my career journey.”*

*“I highly recommend it to any woman wanting support to find work or change their career.”*

We can help you too in our **FREE 2023 workshops**

## Werribee
