

Get a Glimpse of your Future

Skilling
THE BAY

Government and Professional Services

Geelong industries are opening their doors for you to explore the WORLD of WORK!

Year 10 and 11 students, join us on a behind-the-scenes tour of local government and professional service organisations. Find out about the diverse careers available to you!

Explore the wide range of job opportunities in your local community, including administration, customer service, finance, business services, community services, trades, and IT. Learn how you can help build vibrant, liveable communities by working for your local council.

Join us and discover fulfilling career pathways in this dynamic sector!
